November 1, 2019... Mandara Spa is pleased to announce the recent opening of a new spa facility at Cinnamon Velifushi Maldives, located at Vaavu Atoll in the Republic of Maldives.

The stunning Mandara Spa at Cinnamon Velifushi Maldives brings a touch of Bali in an overwater villa setting. It is the resort's focal point, supported by a service style that considers the guests' need for escape and unobtrusive delivery and ambience, in an incredibly picturesque ocean backdrop setting.

Mandara Spa is comprised of 4 double treatments rooms, 2 single rooms with indoor showers, and a manicure and pedicure area. The spa menu is created to showcase the exclusive nature of the spa and to offer guests an outstanding spa experience. It combines traditional Asian favourites with spa therapies from the luxury British skincare brand ELEMIS that reflect the ocean and nature theme. Signature body massages and multi-treatment packages, complemented by result-driven facials, are intended to restore, transform and allow guests to transcend in the moment. The Spa Boutique offers a beautiful range of products and accessories from Mandara Spa and ELEMIS, allowing guests to continue their spa experience at home.

Trent Munday, Senior Vice President – International, Mandara Spa Asia, said “We are very pleased to launch our 14<sup>th</sup> spa in the Maldives and excited about our continued collaboration with Cinnamon Hotels and Resorts at this beautiful resort.”
