**7 May 2018, Kuala Lumpur, Malaysia...** Mandara Spa today announced that it has entered into a new agreement to operate spa facilities at 14 Vinpearl resorts in Vietnam.

The spas will operate under the Akoya Spa brand, exclusively created for the Vinpearl hotel group. Akoya Spa was inspired by the classic beauty of the Akoya Pearl, a traditional symbol of elegance and beauty. Operated by Mandara Spa, whose roots stem from the spiritual island of Bali, the spas will combine this rich sense of generosity and hospitality with exquisite local and international treatments and products.

Akoya Spa at Vinpearl Discovery 1 Nha Trang, Vinpearl Resort and Spa Nha Trang Bay, Vinpearl Resort and Spa Da Nang, VinOasis Phu Quoc and Vinpearl Resort and Spa Long Beach Nha Trang have commenced operations in April 2018, with the remaining spas expected to welcome guests before the end of June 2018.

Mandara Spa's signature treatments will be featured at all resorts, with spa facilities including single and couples' treatment rooms, steam and sauna facilities and manicure and pedicure areas.
