

MANDARA
— SPA. —

**Waikoloa Beach Marriott
Resort & Spa**

*Your body is a temple.
Treat it as such.*

It's true. A single moment spent in joy colors all the moments that follow. At Mandara Spa at Waikoloa Beach Marriott Resort & Spa, while our therapists and aestheticians bestow their expert touch upon your physical body, its effect resonates to the core of your being. Much can happen in a Mandara moment. *What are you waiting for?*

Our Story

Mandara had its beginnings on the spiritual island of Bali, where bougainvilleas border the narrow streets and the pace of life meanders like a gentle flowing river. It was here that we discovered the reverence for the healing arts, especially massage and aromatherapy, which are so deeply entwined within the culture that they have become part of the Balinese way of life.

Mandara has traveled far from its roots while still maintaining a strong connection. Today we offer Balinese-inspired services in luxury resorts that stretch from the South Pacific Islands to the Far East and across the Americas to the Caribbean.

The name Mandara is Sanskrit and comes from an ancient legend about the gods' quest to find the secret to eternal youth and beauty. **In a Mandara moment, you may just discover it yourself.**

Transcend. Transform. Trust the Moment.
