MANDARA SPA OPENS BRAND NEW FACILITY AT LOTTE HOTEL MOSCOW

30 March 2011, Moscow, Russia... Mandara Spa has announced the opening of a spa facility at the Lotte Hotel Moscow.

The 1,500 square meter oasis of peace and tranquility of this exclusive and upscale spa facility, Mandara's first in Russia, combines the beauty and allure of Asian traditions with the sophistication of modern spa techniques, to deliver the ultimate spa experience at the luxurious Lotte Hotel Moscow.

Mandara Spa's design takes inspiration from the diverse landscapes of Asia. The nature-themed spa, designed to create a sensory adventure for the visitor, begins with a journey through a corridor lined with Asian artifacts, a pause in the reception area adorned with a chandelier reminiscent of delicate tree branches, and continuation along curved walls enhanced by concealed lighting, black lava stepping stones with loose pebbles and lotus metal sculptures evoking the feeling of a riverside, culminating in arrival at the treatment rooms. A soothing palette of beige and coffee hues complements subtle lighting, rich fabrics and relaxing sounds to complete the uniquely "Mandara Spa" experience.

The seven treatment rooms, each with curved and earth toned walls, are designed to suggest a return to nature and are enhanced by the contemporary accents of black and gold mosaic tiles. Spa guests will be welcomed to the relaxation lounge and hydrotherapy area, complete with Jacuzzi, silk bath, hammam and sauna.

The spa menu offers each guest a unique experience, featuring spa-therapy by the award-winning UK brand Elemis, as well as traditional Asian favorites, including Mandara Spa's signature treatments. Elemis Pro-Collagen Quartz Lift Facial, Mandara Massage, the Ultimate Indulgence Spa Package and Oxygen Therapy Massage are just a few of the heavenly treatments offered at this urban oasis.

The spa is enhanced by a service style that considers the guest's need for escape, providing unobtrusive care and attention to detail, delivered by a team of dedicated spa professionals from Bali and Russia.

Jeff Matthews, President and Chief Operating Officer of Mandara Spa Asia Limited, said, "We are very excited with our first introduction into Moscow in collaboration with the esteemed Lotte Hotels and Resorts and look forward to sharing the unique ambiance, design and distinctive Mandara Spa experience with guests of the Lotte Hotel Moscow."
