Mandara Spa's signature facial is rich in enzymes that can peel away dead skin, antioxidant vitamins to protect and treat the cells from environmental (and self-induced!) pollutants and natural oils for deep nourishment. We use only natural ingredients with no harmful preservatives or additives. There are three options for different skin types, relying on nature's life-force to restore the equilibrium and deliver a vitamin and mineral burst to your skin.

Renew - a fruit acid facial for treating environmentally damaged skin.

Enrich - a nourishing facial for dry or mature skin.
