Pure Nature Facial 50 mins

Our Spa's signature facial is rich in enzymes that can peel away dead skin, antioxidant vitamins to protect and treat the cells from environmental (and self-induced!) pollutants and natural oils for deep nourishment. We use only natural ingredients with no harmful preservatives or additives. There are three options for different skin types, relying on nature's life-force to restore the equilibrium and deliver a vitamin and mineral burst to your skin.

Preserve ~ a cleansing and rejuvenating facial for normal skin.

Renew ~ a fruit acid facial for environmentally damaged skin.

Enrich ~ a nourishing facial for dry or mature skin.

Body of The Spa

Four Hands Massage 1 hr 20 mins or 50 mins

Not to be missed, never to be forgotten. Our signature massage, performed by two therapists working together, is a unique blend of five different massage styles - Shiatsu, Thai, Hawaiian Lomi - Lomi, Swedish and Balinese. The synchronisation of the two therapists makes this massage a sublime experience.

Balinese Massage 1 hr 20 mins or 50 mins

Our most relaxing massage, harnessing the therapeutic properties of 100% pure essential oils. Used for centuries to renew, strengthen and heal both body and mind, this traditional therapy combines stretching, long strokes, skin rolling and palm and thumb pressure techniques to relieve tension, improve blood flow, ease stress and calm the mind. It can also help to improve the circulatory, lymphatic, muscular and nervous systems. For jetlag recovery, choose our Tranquility massage oil blend.

Warm Stone Massage

50 mins

The healing power of touch combines with the energy of the earth in this relaxing, muscle melting massage. Smooth, warmed rocks glide across your body in long, flowing strokes. The heat helps to relax the muscles and has a soothing effect on your emotions. Simultaneously, rocks are placed on the body's various energy points to encourage the body's healing potential.

Muscle Ease Massage

50 mins

This deep tissue sports massage is an effective way to assist with muscle relaxation. It is designed to increase flexibility, relieve muscle tightness and improve circulation and recovery time.

Fancy Foot-work

50 mins

The most blissful ride your feet will ever take you on. It's like reflexology without the 'ouch'. Based on the same therapeutic principles of its ancient ancestor, this foot massage will help to release toxins and restore your body's energy flow. And it feels like bliss at its celestial best.
