Welcome to Mandara Spa

Integrating age-old Eastern healing traditions in contemporary luxury, a Mandara moment is as indulgent as it is therapeutic and as magical as it is real.

Imagine boundaries ceasing to exist. Imagine science and nature dancing together in perfect harmony. And then, imagine a Spa experience at Mandara Spa.

Our Story

Originating on the sacred island of Bali, Mandara Spa epitomizes the essence of time-honored healing traditions that transcend through the ages. The ancient art of massage and the profound impact of touch hold a sacred place in the heart of Bali, seamlessly integrated into the tapestry of daily self-nurturing rituals.

Mandara Spa, inspired by an unwavering commitment to balance and holistic wellness, extends this devotion and sacred practice to every Spa.

The name Mandara comes from an ancient Sanskrit legend about the gods' quest to claim Tirta Sanjiwani – a powerful holy water that holds the secret of eternal youth and beauty.
