## Body of Mandara

Mandara Massage	1 hr 30 mins	\$240
	1 hr	\$185

Not to be missed, never to be forgotten. Our signature massage performed by two therapists working together, is a unique blend of five different massage styles ~ Shiatsu, Thai, Hawaiian Lomi Lomi, Swedish and Balinese. The synchronisation of the two therapists makes this a sublime experience.

Tension Relief Massage	1 hr 30 mins	\$220
------------------------	--------------	-------

Slow, deep massage strokes deliver pressure to the inner layers of muscles and connective tissue to ease tightly-held tension. It relieves chronic pain by speeding up the blood circulation and thus delivers fresh oxygen and nutrients to the muscles to help them repair and improve their condition.

Asian Head Massage	1 hr 30 mins	\$220
	1 hr	\$170

This shoulder, neck, upper back, arm and scalp massage is based on the ancient healing system of Ayurveda. A Thai poultice filled with exotic leaves, flowers and lime essential oil is dipped in warm coconut oil and used on the scalp, for scalp and hair care as well as complete relaxation. Deep thumb and finger pressure, friction and soothing strokes help to reduce tension, improve circulation and flush out physical and emotional toxins.

Balinese Massage	1 hr 30 mins	\$200
	1 hr	\$155

Our most relaxing massage, harnessing the therapeutic properties of 100% pure essential oils. Used for centuries to renew, strengthen and heal both body and mind, this traditional therapy combines stretching, long strokes, skin rolling and palm and thumb pressure techniques to relieve tension, improve blood flow, ease stress and calm the mind. It can also help to improve the circulatory, lymphatic, muscular and nervous systems. For jetlag recovery, choose our Tranquility massage oil blend.

Warm Stone Massage	1 hr	\$170
--------------------	------	-------

The healing power of touch combines with the energy of the earth in this relaxing, muscle melting massage. Smooth, warmed rocks glide across your body in long, flowing strokes. The heat helps to relax the muscles and has a soothing effect on your emotions. Simultaneously, rocks are placed on the body's various energy points to encourage the body's healing potential.

Fancy Foot-work	1 hr	\$155
-----------------	------	-------

The most blissful ride your feet will ever take you on. It's like reflexology without the 'ouch'. Based on the same therapeutic principles of its ancient ancestor, this foot massage will help to release toxins and restore your body's energy flow. And it feels like bliss at its celestial best.
